### Instructions

- Please print the document and communicate with any of the visa services offices accredited to the mission to provide documents and to introduce visa applications electronically
- Please be informed that approving the request does not mean approving the visa.

The government of the Kingdom of Saudi Arabia requires an institutional quarantine for all passengers from countries that are not included in the travel suspension, exempt the following categories:

- Male and Female citizens and their spouses, daughters, and sons of female citizens, and domestic workers accompanying any of the aforementioned groups.
- Unvaccinated domestic workers accompanying an immune resident.
- Immune individuals.
- Official delegations.
- Holders of a diplomatic visa, diplomats, and their families residing with them.
- Air Crews.
- Trucks drivers and their assistants from all ports.
- Passengers involved in the health supply chains, as decided by the Ministry of Health.
- Crews of marine vessels.
- Individuals whose health condition appear (immunized) and their companions under the age of 18 years.

The period of institutional quarantine for all arrivals from outside the Kingdom, with the exception of the above-mentioned categories, is for a period of 7 days, starting from the hour of arrival at the Institutional Quarantine center and at the expense of the traveler.

With an emphasis on the need to obtain a valid health insurance policy to cover the risks of the Coronavirus, approved by the official authorities in the Kingdom, for all those coming to the Kingdom (who are not immunized). These procedures will go into force starting Thursday, Shawwal 8 1442 corresponding to May 20, 2021.
